Survey of Graduating Seniors Class of 2015: May Graduates Only Majors Report

This survey was administered to graduating seniors of the class of 2015 beginning two weeks before the end of classes in spring 2015. Overall, there were 339 May graduates in the class of 2015. Students were asked to turn in this survey when they picked up their graduation regalia. Of the 339 graduates, 322 completed the survey for a response rate of 95.0%. These 339 graduates had 423 majors.

Additionally, please note that data presented in the major tables is by major, not by unique student. Therefore, the same student may be represented in multiple major groups if he or she graduated with more than one major or degree.
