Survey of Graduating Seniors Class of 2016: May Graduates Only Majors Report

This survey was administered to graduating seniors of the class of 2016 beginning two weeks before the end of classes in spring 2016. Overall, there were 308 May graduates in the class of 2016. Students were asked to turn in this survey when they picked up their graduation regalia. Of the 308 graduates, 285 completed the survey for a response rate of 92.5%. These 308 graduates had 440 majors.

Additionally, please note that data presented in the major tables is by major, not by unique student. Therefore, the same student may be represented in multiple major groups if he or she graduated with more than one major or degree.
