Note: Above data is only available for those students who submitted test scores. Additionally, sums may not total 100% due to rounding.

\*\* Data from 2017 is not comparable to previous years due to 1. SAT introduction of a new test that changes scores notably - <https://collegereadiness.collegeboard.org/pdf/higher-ed-brief-sat-concordance.pdf> and 2. college implementation of a new method of tracking and excluding SAT optional students from reporting.
