\* Due to COVID-19 and our departure from campus in mid-March, numerous service programs that result in high numbers of hours were cancelled (Relay for Life, Special Olympics Swim Invitational, Day of Caring, Egg Hunt, Northern Ireland Service Trip, etc.) And while students still served in remote ways during the last 7 weeks of the semester, it was certainly not at the same volume as it would have been had we been on campus. At the end of March 2019 there were 15,557 hours recorded. So we were surely on target to reach or exceed the total number of hours recorded in each of the past 2 years.
