## Prerequisite Verification Form

Applicant's Name: \_\_\_\_\_ GPA: \_\_\_\_\_ Prerequisite GPA: \_\_\_\_\_

Prerequisites Required	Course Number	Course Grade	Number of Credits	Date Plan to Complete (if not yet completed)
General Biology I				
General Biology II				
Principles of Chemistry I				
Principles of Chemistry II				
General Physics I				
General Physics II				
Statistics				
Psychology				
Sociology				
Anatomy*				
Physiology* (EXSC 216)				
Kinesiology (EXSC 211)				
Exercise Physiology (EXSC 310)				
Biomechanics (EXSC 319)				

- ★ Semester courses combining these topics, such as “Anatomy & Physiology I” and “Anatomy & Physiology II”, can fulfill these, but only if **BOTH** semesters are completed. Anatomy & Physiology I would fulfill the Anatomy requirement and Anatomy & Physiology II would fulfill the Physiology requirement. One semester of a combined “Anatomy & Physiology” course does **NOT** fulfill the prerequisite requirements for “Anatomy” and “Physiology”.
