## Requirements for Pennsylvania residents to be eligible to apply for an LVC license plate:

- To be eligible for a Lebanon Valley College license plate, you must be a current student, parent, alumnus or friend of LVC.
- You must be the registered owner of the vehicle. If the owner of the automobile is different from the person associated with the College, attach a note explaining the relationship (i.e. a parent owns the car and the son or daughter attends LVC).
- You must have a Pennsylvania driver's license.

## Directions to apply:

1. Fill out sections A and E on the official state form, "Application for Specialty Registration Plate."
  - Optional: Complete section D if you plan to purchase a personalized plate for an additional \$108.
2. Enclose a check for \$35.00 payable to Lebanon Valley College.
  - Note: If you completed section D to purchase a personalized plate, your check should total \$143.
3. Mail your check and application form to:

Lebanon Valley College  
Office of Alumni & Parent Engagement  
101 N. College Ave.  
Annville, Pa. 17003

Once your check and application form are received, the College will certify you are a current student, parent, alumnus or friend of LVC and place your order with the state. It takes the Pennsylvania Department of Transportation approximately four to six weeks to produce the plates and ship them to your home.
