

Department of Teacher Education Goals and Objectives

1. Students will demonstrate content knowledge of the curriculum, based in theory and commensurate with the PA Standards/Common Core.
2. Students will communicate effectively in a variety of formats.
 - A) Students will use appropriate and effective verbal and nonverbal communication.
 - B) Students will demonstrate proficiency in written communication in the areas of focus, content, organization, style, and conventions.
3. Students will maintain professional conduct and ethical behavior.
4. Students will manage a learning environment that is safe and conducive to learning.
5. Students will link content to related research-based pedagogy based on sound educational psychology principles in short- and long-range instructional plans.
